*****Five, four, three, two, one Happy 2024*****

It is 27 degrees outside while this is being written, after a morning low of 20. Winter decided to pay us a fleeting visit given that it is forecast to be over 70 less than ten days from now. Roll with it and take every day in to the fullest! We updated our tow vehicle last month, so those maiden voyage hook-up and go

somewhere/anywhere feelings are starting to stir.

Details for all the 2024 trips have been finalized (see trip summary below). NOTE THAT WAGONMASTERS ARE NEEDED FOR THE MAY AND SEPTEMBER TRIPS. There is plenty of time to decide if anyone is still pondering. Please jump in if you are a first timer; you will discover it is fun and rewarding, with plenty of helping hands available.

Our March trip is to Sea Breeze in Holden Beach/Supply, from the 7th to the 10th. This is a relatively new park, but it only took one visit for us to fall in love with the owners and the facility they have developed. Hoping for a great turnout!

Please remember all the spoken and unspoken prayer requests. Stay safe in your travels.

Tim and Sally

David & Dawn Roberson – Ayden
Larry & Nan Johnson – Nashville
Ray Allen – Durham
Cyrus Lanier – Beulaville
Jeffrey Seaman - Concord
