There is no better way to ring in a new camping season than with a roaring campfire in the company of good friends!

Happy New Year fellow campers!! Can you believe it's time to start another year of camping trips. We hope one of your resolutions is to review the camping trip list and join in on as many as you can. You don't want to miss out on the fun and fellowship. There are Wagon Masters for all trips, so please be sure to let them know once you schedule your trip.

We look forward to seeing old friends and meeting new ones. We attended the recent RV Show in Raleigh and had several folks stop by Rex's display to talk with us and pick-up an application.

In addition to the Club trips, please put Rex's planned Grand Opening/Open House at his new facility on your calendars. It will be from 9 AM to 3 PM on Saturday March 22nd. He would love to see Club members stop by.

See you soon at Sea Breeze!
