## **Message From The President**

Hurricane Florence will be something we will remember for a long time, I hope everyone made out alright through the storm! I left to protect my motorhome-went up state and was looked after by Bill and Peggy Martin; Peggy made sure I wasn't hungry. Home had some damage however from all reports some had much more than I did - The Meekins, not sure of the Youngs and Tracie and Victor Crews - my prayers go out to all who had to experience this devastation.

It's hard to talk of camping, because I imagine this is the farthest from some minds. I really hated we had to miss Daddy Joes. It was nice that they refunded our money. Jane and Randy thanks for all your hard work putting everything together. We are just a few weeks from our last camping trip for the year, this should be fun and beautiful since the leaves will be changing. Please give the campground in Mayberry a call an get your reservation as they will be filling up soon. I'm sure Ann and Randy will have a nice week end planned. Remember to notify Randy & Ann when you make your reservations so they will know how many to plan for.

November will be our annual meeting please give some thoughts of where you want to go next year and let Randy Coleman know. There is a new campground in Little River on the Intracoastal Waterway, I know several who have already gone and can't wait to go back. North Myrtle Beach RV resort and Dry Dock is located in Little River, SC. Also, Sun Valley is expecting to open a new resort near Conway, SC which will have two pools-one inside and one outside. It is predicted to open spring of 2019. **We need a Vice President and a Treasurer for next year, please consider taking one of these positions.**

If you weren't able to get a reservation at James Island for our November trip, start calling now since this is the time when folks cancel!

My thoughts and prayers are with everyone during this difficult time.  
Mary

**Mayberry Update:** Wagon masters Randy & Ann Freeman would like to remind you that the deadline to sign up has passed. There are a few sites still available, so if you are interested call in the next few days. Please notify Randy or Ann when you have made your reservation so they may plan accordingly.
